RECURRING DONATION CAMPAIGN

Dear Sai bandhus, from where we started back in 1996, we have come a long way in establishing a great Sai Mandir where many of us share numerous experiences of our own. This is your Mandir and we encourage level of belonging towards this Mandir. As you all know, organization of such scale and level needs lot of support both Financial and Voluntary. These contributions are encouraged to be reasonable and completely at will for each one of us without any obligation.

In light of this thought, we are introducing RECURRING DONATION program. Any amount you donate to Baba's Mandir on the recurring basis will help in reducing temple's debt. Even a \$1 per day set aside for Baba would go a long way. We can facilitate in multiple modes of recurring payment (Cash/Check/Credit card). Goal is to pay off the loan against the facility and give an opportunity to each one to have an ownership for some part of this place where we worship. This will enable us to pay out loan more quickly and expand our activities, as needed. We have lot more plans to reach our community and give more to the community thru service activities. All of these are possible only by our commitment and liberal donation.

Your Donation

Debt Free Mandir

Quotes from SatCharitra

"God does not like big subscriptions and donations collected against the wishes of the donors, but He likes ever trifling amounts given with love, devotion and appreciation."

"If I take one rupee as Dakshina from anybody I have to return it tenfold to him. I never take anything gratis. I never ask any one indiscriminately. I only ask and take from him whom the Fakir (My Guru) points out. If anyone is indebted formerly to the Fakir money is received from him. The donor gives, i.e. sows his seeds, only to reap a rich harvest in future. Wealth should be the means to work out Dharma. If it is used for personal enjoyment, it is wasted. Unless you have given it before, you do not get it now. So the best way to receive is to give. The giving of Dakshina advances Vairagya (Non-attachment) and thereby Bhakti and Jnana. Give one and receive tenfold".
